

## Objectives

Imagine being able to.....

- ◆ Recognize the characteristics of 23 *childhood* and *adolescent* emotional and behavioral disorders.
- ◆ Distinguish between disorders and typical behavior problems.
- ◆ Decide when to start or change an intervention.
- ◆ Communicate more knowledgeably with parents and other professionals.
- ◆ Confidently make recommendations.
- ◆ Help parents find community resources.
- ◆ Locate professionals who will work closely with you.
- ◆ Teach with less frustration and more understanding.
- ◆ Assess school problems accurately.
- ◆ Efficiently design interventions that match the various mental health disorders children experience.
- ◆ Successfully teach children whose parents oppose medication.
- ◆ Easily Customize district/classroom/individual intervention plans for any student or group.
- ◆ Accurately measure an intervention's success.
- ◆ Quickly and Skillfully build behavior plans that work.
- ◆ Speak with language patterns that facilitate change.
- ◆ Improve Education and Behavioral Outcomes.
- ◆ Start these changes as soon as you return to school.

## Presenters

Diana and Tom, both Licensed Clinical Professional Counselors, own a busy private practice in Bigfork, Montana. They see clients of all ages, do testing and assessments, consult with schools and other organizations, and design and produce professional development seminars. Tom works as an independent school psychologist. For 16 years Diana taught school and worked as an administrator and school counselor. In addition, they are adjunct professors at the University of Great Falls, Mental Health Consultants for the Northwest Montana Head Start, and Diana is a Montana Early Childhood Project Registered Trainer. They use this diverse background to load their lively presentations with invaluable information.
